

DG's commercial tools (i.e. DPA 5 Dual CAN / Bluetooth) are not designed to work on CNH products, including the CNH Essential Service Tool (EST) software.

Please contact the nearest authorized CNH Industrial dealer for service, support and sales of special tools and equipment.

To locate the nearest Case IH dealer, visit: [www.caseih.com](http://www.caseih.com)

To locate the nearest New Holland dealer, visit: [www.newholland.com](http://www.newholland.com)

If you are an authorized CNH Industrial dealer, please contact your local product support group for information about their diagnostic tools:

- North America: [nar-service-tools@cnh.com](mailto:nar-service-tools@cnh.com)
- Europe: [eur-service-tools@cnh.com](mailto:eur-service-tools@cnh.com)

To learn more about the products DG Technologies offers, please visit [www.dgtech.com](http://www.dgtech.com).
